4th Annual Highland Seed and Plant Exchange

When: Sunday, March 3rd
Time: 3:00 p.m.
Where: School House

Time to start planning this year's garden. If you have extra seeds or plants that need a home, bring them to the exchange to share with neighbours. If you don't have anything to bring, come and take home some plants and new seeds to try.

This is a great opportunity to learn about planting times and techniques, try varieties that grow successfully in the Highlands, and learn about seed saving.
