### Ryton Rigg

Named after a very small but very important road in Yorkshire, UK (the band will tell us why at the show) this four-piece band draws from a wide range of musical influences. With **Dave Preston** on guitar and vocals, **Lesley Preston** on bass and vocals, **Kevin Kotorynski** on keys and vocals, and **Brad Hawkes** on percussion, these four musicians share decades of performance history.

From simple acoustic renditions of well-known singer-songwriters such as John Prine, Guy Clark, Lyle Lovett, Amelia Curran, Steve Earle and David Myles, to the fuller sounds of early Rolling Stones, Bruce Springsteen and Blue Rodeo, **Ryton Rigg** delivers various interpretations of classic folk and rock songs, plus a few from artists who might not be so familiar.

For this band, our audiences will enjoy the narrative of well-crafted songs, can tap their toes to rhythmic arrangements, or just let loose and sing along or even dance to what they hear from the stage. The emphasis is always on having fun!

By Donation: we suggest 1.00-20.00

Children 15 years and younger free admission ☺

**We will start the evening with the opening act:**

**Singer-song writer:**
